

Digital Competitions

N4C is expanding digital competitions this year, and will award points for the winners. In order for the winners of our competitions to be admissible in the N4C competitions, they must meet certain criteria. The rules for the LCC digital competitions follow.

LCC Digital Photo Competition Rules

1. All photos to be either of the following two N4C categories:

Pictorial Photography--all photo subjects qualify; "interest" accounts for 1/3 of the score.

Nature--photos must be absent any evidence of the presence of, or interference by man. Zoo animals are accepted if the setting is natural with no depiction of the cage or bars. Domestic animals and plants are rejected.

2. Photos may be with digital camera, or scanned from film.

3. Photographs must be taken by the entrant.

4. Entrants give LCC and N4C the right to reproduce their images in any way.

5. Images must be in .jpg format.

6. Maximum image size is 1024 pixels by 768 pixels. Max. file size is 500 kb.
